

Waves of Power: The Dynamics of Global Technology Leadership, 1964-2010

An insightful look at what is happening to the Information Technology (I.T.) industry as the convergence of computers, communications, and consumer electronics are fundamentally changing the very nature of global competition. As these mega-industries collide, the opportunities and turbulence will make the personal computer revolution look like a warm-up act.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
