

## A Tale of New England: The Diaries of Hiram Harwood, Vermont Farmer, 1810-1837

The extraordinary diary of Vermont farmer Hiram Harwood—a fourteen-volume record of personal, family, and community events from 1808 to 1837—provides Robert E. Shalhope with the material for this rich microhistory. Harwood's struggle to reach full manhood and assume his position as head of the family, his misgivings about challenging—much less displacing—his father, the changes American life brought to this traditional rite of passage, Hiram's relationships with wife and children, seasonal events, and all the day-to-day experiences of this finally tragic figure make for a fascinating story and provide a highly unusual window into antebellum American life. Although he focuses mainly on the story of a single farmer, Shalhope also incorporates other stories from this wide-ranging chronicle. Readers glimpse the social, political, economic, and religious life of the entire New England region. Most of all, though, the story of Hiram Harwood reveals the personal price exacted of him by one family's unyielding belief in patriarchy.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
