

## The Baby Care Workshop.Calming the baby (DVD)

Part of 9-part series, which has been designed to teach step-by-step infant care-perfect for teen parenting and parenting classes, teacher and school daycare training, and other childcare management instruction. Using a reassuring approach designed to build confidence, demonstrations are provided by real parents and their babies. The focused, single-subject videos can be easily incorporated into any instructional program, providing a clear introduction to skills in convenient lengths that supplement personal instruction. In this dvd, you will see helpful techniques for calming yourself and a fussy baby, as well as avoiding shaken baby syndrome. (10 minutes)

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
