

Forgiveness: Walk Me Through It

Have you been hurt by someone? How do you forgive something that hurts so bad? Life carries all kinds of hurts and pain. And in the midst of living we find ourselves struggling to forgive those who have left a lifetime of wounds. But there is a way out of the hurt and pain, and its found via forgiveness. Read the story of a man whose little girl was molested and murdered, a woman whose father abused and tortured her, a woman whose ex-husband made her life a living hell, and a man whose father was never there for him. See how they all found a way out of the heartache through forgiveness. Allow me to walk you through it! Recommended for personal, group, or bible class church study.
