

The Official Illustrated NHL History: The Official Story of the Coolest Game on Earth

On a chilly day in 1917, the National Hockey League was formed, and in the years since, it has been a mainstay of American sports. This illustrated reference delves deep into the history of the league to bring out essential information on all the top players, teams, and events. Visually exciting and information-packed, it's the work of an insider who not only looks at today's superstars, but offers a rare glimpse into legends of old—including a trip back to a game during World War II and the Soviet Unions powerhouse Big Red Machine teams.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
