

Pasta For Men Only

An accomplished culinary teacher and writer, Pat Gambarelli's private Italian cooking classes became an instant hit with women who wanted to learn both classic cooking techniques and modern preparations. Before long, bachelors living on their own, young executives, and men from all walks of life and professions attended the classes. Pasta for Men Only was born. Many of the recipes in this book were originally used in Gambarelli's classes for male students, but both men and women have been enjoying them for years. Pasta for Men Only features: Easy to understand explanations of Italian cooking terms and ingredients. Forty Sauces made simple: From basic tomato to a collection for every occasion. Delectable dishes for cooks on the run. Recipes that can be prepared in a flash! Recipes that celebrate the sea's bounty. Classic Italian desserts demystified. Simple and to the point, Gambarelli takes the seemingly complex and explains it in terms we can all understand. Seasoned chef or novice, man or woman, Pasta for Men Only is the book for you.
