

Fabulous Fempreneurship: Your Complete Business Startup Guide

In *Fabulous Fempreneurship: Your Complete Business Startup Guide*, Elaine Slatter tackles many questions that women have about starting their own business. These include the skills required to run a successful business, where to find ideas for an enterprise, how to write that pesky business plan and how to find funding for a venture. This book is packed with real life examples of women entrepreneurs who share their inspiring stories and expertise on many subjects. Finding passion, overcoming difficulties, setting goals, leadership, networking, business launch essentials including social media, pivoting for a better outcome, and even entrepreneurial depression are covered in this how to book. This practical guide for women entrepreneurs, recognizes that more and more women would love to work for themselves and strike that work/life balance that is so important to them, but with so much information out there, it can be confusing. Whether you are an aspiring entrepreneur in India, Germany, UK, Australia, Canada or the USA this book is for you. If you are 17 or 70, its the only guide you need to get motivated and take that first step. The back section of this book is full of resources to help you find additional support in many different areas.
