

Last Night at Moomba: The Complete Novel: Acts One, Two & Three.

After throwing out the world of aristocracy in its quest for democracy, America still makes nobles out of its celebrities and the wealthiest members of its society. K. Cooper Ray takes us into the world of New York society through the adventures and misadventures of Jake Mender, an uprooted Southerner and a journalist whose columns feature the comings and goings of the New York elite. Much of the book takes place at the in spot of the season, Moomba. The books success is its nasty description of human life in these circles where getting entrance to the right charity ball is as important as finding the right mate, or more so. It is easy to see there is a bit of author K. Cooper Ray in Jake Mender himself. Ray is a thirteenth generation Southern gentleman who has traveled the world and in it has observed the lives of real aristocrats and fashion conscious divas. He maintains the popular SocialPrimer.com, a site that offers sartorial advice and teaches etiquette. He also is a fine clothing designer who for years retailed through Brooks Brothers under the label Social Primer. Rays sense of the right and wrong menswear comes out in the first chapter of the book when Jake wakes up after a night of debauchery to search for his wallet in a pile of clothes. Only Ray would have a character feel his way through nondescript tuxedos to find his own Ralph Lauren Purple Label. Last Night at Moomba is a must for Social Primer fans, but also is simply a fun read for those who would like to know what the party is like behind the fashionable parties. Finally, nobody describes a hangover as well as K. Cooper Ray. Last Night at Moomba is a serialized novel in three acts.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days

the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
