

Nature Crafts for Children: Bible-Themed Fun for Kids 3-12

What kid doesn't love a treasure hunt? Hunt for pine cones, sticks or stones, bring them home and create Bible-themed crafts sure to delight kids 3-12. Every craft in this book is Bible school tested. Each one deepens the lesson from a popular Bible story or outlines a principle of Christian living drawn from the Old or New Testament. Parents, Sunday school teachers, Bible school counselors and anyone who helps kids learn about their faith will enjoy these easy-to-do, interesting, easy clean-up crafts. Using natural resources is a great way to save money, learn to protect the Earth God put in our care, and help kids think in resourceful ways. Author Wendy Zhorne taught Bible school and used every one of the crafts in this book and *Childrens Craft Ideas from the Bible*, her other title. Every craft is kid-tested. Perfect for every home school, Bible school or church activity program.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
