

# International Marketing Strategy (with CourseMate & eBook Access Card)

Now in its sixth edition, the highly respected and popular textbook has been developed to help the student learn, understand and practice all of the elements of the international marketing strategy process. The main ethos of the text is that a fundamental element of international marketing is the development of competitive international marketing strategies which build upon, leverage and advance an organizations competitive position across the globe. The sixth edition has been completely updated to reflect all key new developments in international marketing, whilst also significantly expanding the international coverage reflecting Europe, the Middle East, Africa and Asia. This textbook is autopackaged with Coursemate. CourseMate brings course concepts to life with interactive learning, study, and exam preparation tools that support the printed textbook and the textbook-specific website. CourseMate includes an integrated eBook and interactive teaching and learning tools including quizzes, flashcards, videos, and more and an EngagementTracker, a first-of-its-kind tool that monitors student engagement in the course.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
