

Tax Help for Gamblers: Poker & Other Casino Games

The complete tax implications of gambling are a big mystery to gamblers, accountants, and even the Internal Revenue Service itself. The IRS offers surprisingly few details to guide gamblers through the tax maze and what it does say is often general, vague, even contradictory. Tax Help for Gamblers, first published in 2007, deals with the innumerable nuances and gray areas of gambling and taxes. It covers all the whys and wherefores of this complex subject, including tax-code specifics, record-keeping, filing your tax return, state-tax considerations, and audits and other tax problems. Numerous charts and forms help you see the practical application of the information. This book is for recreational and professional gamblers, including low and high rollers, table-game and machine players, video poker and live poker players, online enthusiasts, international and cruise ship players, and people who live or gamble in states with income taxes. Whether you're a do-it-yourself tax filer or you use a tax professional, Tax Help for Gamblers is an indispensable guide to staying square with the taxman.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
