

An Early Christmas Gift (Red Valley Ranchers Book 3)

History certainly is repeating itself, romantically speaking, in USA TODAY bestselling author Susan Crosby's third book in her Red Valley Ranchers miniseries! The Capulets and the Montagues had nothing on the Ryders and the Morgans! But despite the fact that each one was from one of the rival ranching families, Jenny Ryder and Win Morgan had a passionate summer affair four years ago that resulted in pregnancy. They got married and promptly lost the baby. Heartbroken, Jenny let herself be talked into divorcing Win without ever having revealed the marriage to her family or his. Now Jenny's back, and one impulsive night means that Jenny and Win are about to be parents again! This time, they have to fess up. Their future happiness and child depend on it. But Win is keeping his own secret that divorce he and Jenny supposedly got might not be worth the paper it (wasn't!) printed on.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
