

Essentials of International Economics

Developed in the classroom by two of the most prominent researchers in the field, Feenstra and Taylors International Economics is a modern textbook for a modern audience, connecting theory to empirical evidence and expanding beyond the traditional focus on advanced companies to cover emerging markets and developing economies. Essentials of International Economics, Third Edition is the brief version of that textbook designed for a one-semester course covering both international trade and international macroeconomics. The new edition has been thoroughly updated, including the latest on the Eurozone crisis.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
