

The Facebook Marketing Bible: The Guide To Marketing Your Brand, Company, Product, Or Service Inside Facebook

A large and growing portion of some of the most valuable demographics are spending more of their time and attention on Facebook and less on other channels and media. Not only are US college students and teenagers fully engaged in Facebook, but adults, professionals, and people from around the world now constitute a substantial portion of the Facebook userbase as well. However, most marketers lack a comprehensive understanding of the vast array of explicit and implicit marketing channels Facebook offers - most of which are viral. My goal here is to provide an introduction to what's possible on Facebook to the spectrum of marketers from brand advertisers to volunteer grassroots evangelists. The Facebook Marketing Bible contains three detailed sections: Tools for Guerilla Marketers, Tools for Advertisers, and Tools for Application Developers. Each part outlines the best available channels and strategies for reaching your audience inside Facebook. Find more: www.insidefacebook.com

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
