

Happily Godless: A Young Adults Guide to Atheism

Almost every young adult today deals with issues of religion, though they may not be comfortable talking about it. Many of them have problems with the Christian influence in their family and society. It's an important topic and has become the subject of several best-selling books for adults. However, young people have been mostly left out of the discussion. Until now. Happily Godless introduces the main ideas of atheism to the people who matter the most—the generation just coming into society as decision makers. With a skeptical look at the existence of God, the story of Jesus, and the founding of the United States, the book also includes essays contributed by young atheists from all over North America. Happily Godless opens the door for all young adults who are questioning religion or who believe that reason is more powerful than faith.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
