Valerie Winslow never thought life in the tiny country of Schwerinborg could be so great. But then she never thought she would be dating the prince of Schwerinborg either! Georg, a real prince, is also her first real boyfriend. And then everything falls apart. Georgs decided they need to cool off for a while and her dads sending her back to Virginia to visit her mom. Valeries bummed -- until she decides to go out with her old crush, David Anderson. David may not be a prince, but maybe hell take her mind off of Georg -- or will he?
