

Bishop Versus Knight

The relative strengths of the Bishop and Knight have long been debated. Traditional thinking has been that the Bishop is better in open positions while the Knight is better in blocked positions. Top players differ in their views. Chigorin was a staunch advocate of the Knight, while Botvinnik was a master of the raking Bishops. Steve Mayer brings the reader practical examples to illustrate positions which favor one minor piece over the other and provides the first serious analysis of this long-debated topic. Some chapter titles are: The Problem Knight, The Problem Bishop, The over-rated Knight, The Ruy Lopez Ending, Shattered Pawn Positions.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
