

Like Swallowing Rocks: Pro-Anorexia is a dangerous game

Eating Disorders, Anorexia, Bulimia, whatever name you call it, it is synonymous with suffering and heartache . . . but what happens when boys find themselves trapped within a disease that society identifies predominately with girls? How do they find their identity? Who can they turn to? Thomas Drake is one of those boys. In denial, he turns to the cyber world, and finds himself drawn into the morbid world of pro-anorexia websites. Thomas believes he has found the support he desperately craves, but instead of positive support, he is catapulted into a negative downhill spiral. James Brave, uses his personal experience of ED and Body Dysmorphic disorder to create a character, Thomas Drake, whose story speaks to teenage boys about their eating disorders in a way they can relate to. Thomas deals everyday with the issues affecting teens; Social media, internet deviants, family violence and identity issues. Thomas provides a positive role model, and proves that Eating Disorders are not only for girls, and whatever girls can overcome, boys can overcome too.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
