

A Child's Heart Speaks: Surviving Sexual Abuse

A Child's Heart Speaks is a heart breaking and compelling true story of two children who survived severe sexual abuse from a juvenile perpetrator-their older half brother. The reader gains a true glimpse into the personality, and tactics used by juveniles and adults to manipulate children into silence. The story serves as a call to action for all adults who care about children. The author, Claire Silva also incorporates national interviews with adult survivors of childhood sexual abuse. Through their stories, the reader is able to understand some of the mental, physical, emotional and spiritual struggles survivors go through, and what helps survivors heal.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
