

Ridiculous Packaging: Or, my long, strange journey from atheist to Episcopalian in two acts

Karen Favreau is a Generation X seeker who has run the spiritual gamut. Raised Catholic, she lapsed into atheism and began a long, strange journey back to Christian faith. In *Ridiculous Packaging* she chronicles her trip, offering a humorous, non-preachy, and heartfelt memoir in which she attempts to decipher why a cynical, thirty-three year old atheist would open her heart and accept God's love after having spent an entire lifetime running away from him.
