

Lace and Blade 2

LACE AND BLADE, an original anthology of elegant romantic fantasy, edited by Deborah J. Ross, appears on Valentines Day... In the spirit of classic period swashbucklers, Zorro, the Scarlet Pimpernel, and DArtagnan, brimming with romantic courtly intrigue and dangerous liaisons, with cloak and dagger and perfumed handkerchiefs, the language of the fan and stolen glances, with the manners of Jane Austen and the sparkling rapier wit of Oscar Wilde, here are fantastic stories of adventure, derring-do, love, and glamorous yet subtle magic. Dont hesitate another moment... step into a sophisticated other world where passion is a courtly mistress, mystery is moonlight on steel, and magic is the god of love. En garde, mon amour! LACE AND BLADE 2

So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
