

Rugby: Body and Soul (Mainstream Sport)

Bill Samuel, the discoverer, mentor, and friend of Gareth Edwards, is a brilliant teacher and a wise, amusing Welsh patriot. In *Rugby: Body and Soul* he vividly describes the culture of the Welsh industrial villages that produced him and most of the characters in this book. Rugby was and still is an integral part of the Welsh valleys and this book is an affectionate affirmation of Welsh life as well as an important contribution to the future of Welsh rugby. With a foreword by Gareth Edwards, *Rugby: Body and Soul* is perceptive, humane, and often hilarious.
