

Marketing Channels

This fifth edition of Marketing Channels shows students how to maintain effective relationships among channel members and how to achieve sustainable competitive advantage by using both strategic and managerial frames of reference. It emphasizes strategies for planning, organizing and controlling the alliances among the institutions, agencies and in-house units that bring products and services to market. The text focuses on the way in which marketing channels can provide customer service - both for the end-users they serve and the organizations that comprise them.

Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
