

War Letters from the Living Dead Man (Classic Reprint)

In the Spring of 1914 there was published in London and New York a book of mine called Letters From a Living Dead Man, being automatic writings from an American Judge and teacher of philosophy who had been known to his intimate friends as X. There were circumstances connected with the writing of that book, explained in scene detail in the Introduction, which made any other hypothesis than that of genuine communication from the other world seem untenable to me. It began, for instance, some days before I knew in Paris that my friend had died on the Pacific coast of America, In that first book of XI did not state who the writer was, not feeling at liberty to do so without the consent of his family; but in the Summer of 1914, while I was still living in Europe, a long interview with Mr. (Typographical errors above are due to OCR software and dont occur in the book.) My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
