

Comprehending Cults: The Sociology of New Religious Movements

Comprehending Cults, Second Edition, provides a sociological interpretation of the phenomenon of new religious movements. While the author does not offer an apologia for cults--in either a religious or a sociological sense--he does attempt to replace suspicion and misinformation with a greater knowledge of the facts (as best we know them) and a measure of sympathetic understanding. Completely revised and updated in this second edition, the book examines all aspects of cults, while striving to delineate the very real limits of our knowledge. In addition to dealing with the troublesome aspects of the subject, including issues of violence, sexuality, and brainwashing, the author also considers the possibility that new religious movements are a source of spiritual satisfaction to their members. Offering up-to-date social science research about contemporary religious cults, Comprehending Cults, Second Edition, is ideal for undergraduate sociology of religion and new religious movements courses.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
