

## Frayed (Connections)

After losing his fiancée, Ben Covington is unsure he'll ever love again. But he's so deeply drawn to Bell Wilde that he's thrown for a loop. Maybe it's purely sexual chemistry that's igniting their spark...or maybe it's his second chance at love.

Bell Wilde has just gotten her life back on track and may not be up to the challenge of Ben Covington coming back into it. However, once the spark is reignited...there's no stopping it. But even if they both manage to pull together their frayed hearts, a secret from Bell's past just might shatter them both. Contains mature themes.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
