

Elder Abuse and Neglect: Causes, Diagnosis, and Intervention Strategies (Springer Series on Social Work)

In this new edition of their classic volume, Quinn and Tomita present their model of detection, assessment, and intervention for elder abuse and neglect. The volume includes information on legal interventions with suggestions on how the practitioner should act in the courtroom, give testimony, document findings, and prepare for legal involvement with the criminal justice system.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
