

The Young Widowers Handbook: A Novel

For Hunter Cady, meeting Kait was the greatest thing that ever happened to him. Otherwise unmotivated, he spent roughly half his twenty-nine years accomplishing very little, which makes him about fifteen in terms of real-life experience. But he's the luckiest man on earth when it comes to his wife. Beautiful and confident, Kait is somehow charmed by Hunter's awkwardness and droll humor. So when she dies quite suddenly, Hunter is crushed. Numb with grief, he stumbles forward the only way he knows how: by running away. To the dismay of her family, Hunter takes Kait's ashes with him and heads west. They had always meant to travel. Soon enough, he finds himself--and Kait--in encounters with characters even quirkier than he is: an overzealous Renaissance Faire worker; a raucous yet sympathetic troop of bachelorettes; a Chicago couple and their pet parrot, Elvis. He meets a much older man still searching for the wife who walked out on him years ago. Along the way are glimpses of Hunter and Kait's beautiful, flawed, very real marriage and the strength it gives Hunter, even when contemplating a future without it. Insightful, wry, and sometimes laugh-out-loud funny, *The Young Widowers Handbook* is a testament to the power of love.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
