

Contemporary Authors First Revision, Vol. 9-12 (4 volumes in 1)

Part of the award-winning Contemporary Authors series, Contemporary Authors First Revision contains bio-bibliographical information on novelists, poets, playwrights, nonfiction writers, journalists, screenwriters, and other authors. Sketches typically include personal information, addresses, career history, writings, work in progress, biographical/critical sources and authors comments and/or informative essays about their lives and work. Updating the information on authors from the first 44 volumes of Contemporary Authors, the 11 volumes in the First Revision series, coupled with the Contemporary Authors Permanent Series (2 volumes) replace the Contemporary Authors original volumes 1, 2, 3, 4, and 5-6 through 41-44. Updated author entries are now published through the more efficient Contemporary Authors New Revision series.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
