

## A Book of Gods Love

True Love, Forgiveness, Cultivating the Heart, and Eternal Youth; comprise a collection of discourses that offer a glimpse into some of the wonders of God. The nature and mystery of God's love is explained a love that does not break or fail, an endless, unfathomable love without condition or attachment. In the chapter titled Forgiveness, M.R. Bawa Muhaiyaddeen (Ral), explains that God does not punish us or forsake us, but treats us with limitless patience, and continues to forgive the faults we commit out of ignorance, until the very last breath.
