

A Swing Through Time: Golf in Scotland 1457-1744

The origins of golf are a matter of mystery and controversy. In the absence of tangible evidence, it is to written sources that we must turn for reliable information. Using the archive of the National Library of Scotland, this book takes a look at golf from the 1457 Act of Parliament banning it, to the first Rules of Golf produced in 1744. Quotes from the original documents and books are reproduced, while transcripts, commentary and interpretation of the sources illuminate not only the early days of golf, but also the society which gave rise to the world's most internationally popular game. Portraits and pictures from the national collections complement the documents and the text.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
