

A Companion to Ancient History (Blackwell Companions to the Ancient World)

This Companion provides a comprehensive introduction to key topics in the study of ancient history. Examines the forms of evidence, problems, approaches, and major themes in the study of ancient history. Comprises more than 40 essays, written by leading international scholars. Moves beyond the primary focus on Greece and Rome with coverage of the various cultures within the ancient Mediterranean. Draws on the latest research in the field. Provides an essential resource for any student of ancient history.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
