

Meditations for the Newly Married

Meditations for the Newly Married offers 30 meditations to draw newlyweds closer to each other and closer to God. Author John M. Drescher, a prolific writer and longtime pastor, has helped thousands of couples begin their wedded lives in the best possible company: reflecting on Gods Word together. Thoughtful meditations and carefully chosen Scriptures, along with illustrative poems and quotations, help recently married couples understand that marriage isnt about falling in love but continuing to actively and faithfully love each other. These lasting truths and nurturing advice will build up enduring marriages focused on faith, where the desire to be happily married ever after is in Gods plan.
