Super Emotions! A Book for Children with Powerful Feelings: (Age 2-8) Designed to empower emotional kids and let them know that they can take control ... they are special, and that they are loved

Super Emotions! books are designed to be tools to help your children help themselves. They are short and simple so that may be easily understood and possibly even memorized by your kids. I suggest incorporating a reading into their daily routine, such as at a bedtime or at the breakfast table. The book was created to teach kids that they can handle their emotions and offers them suggestions for doing so, - Lionel Lowry. A great book for emotional kids. Empower your emotional son or daughter with this fun book which helps them learn how to handle their Super Emotions. A Dr. Seuss inspired rhyming style was used to help children easily memorize techniques for helping control and deal with their impulses and emotions in positive ways.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
