

A Special Gift

Within these writings, there is no condemnation; rather, true forgiveness, which is a precious gift. Wanda L. Brown takes each reader on her emotional roller coaster journey of life, which includes spiritual, mental, physical, financial and sexual abuses at various levels. However, the hugest challenge that Wanda faces is the death of her only son, whom she had prayed to birth four years prior to the arrival of the miracle that tremendously blessed her life. Just open your heart to the writings within, as healing truly abounds, which is in itself, A Special Gift!

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
