Its Coke Pharris job to save bull riders from bulls, and he takes his work very seriously. Which is why hes devastated when one of his favorite riders gets hurt, and hes determined to help the young man ride again. Dillon Walsh is the arena entertainer for the bull riding tour, and he wants to help. He also wants Coke, has been admiring the man for a long time. He hasnt made a move on Coke for fear of messing up their friendship, but when he finds out Coke might feel the same way, Dillon has to try to win Coke over. Coke thinks hes too old for Dillon, too beat up and scarred, but he cant resist when Dillon finally makes a play for him. Dillon is like a wet dream for Coke, and the two of them have a great time getting to know each other better, at least until the danger of their job threatens to come between them. Will Dillon and Coke be able to help their friend and weather the problems that blow their way?
