Sue Hamilton is a commanding officer in the marines, and in this story they go to The United Arab Emirates for training. A month after they get there, Sue goes to the washrooms and finds her junior officers making out in one of the shower compartments. Feeling sexually starved, she joins them for some wild group lovemaking. Warning: This 5,100 wordgang bang sex story is pure lust and includes very hot and graphic sex scenes; it is intended for an adult audience only! It contains sex with multiple partners, anal sex, huge cocks, group sex, mmm/ff sex, double penetration, blow jobs, cum in mouth, m/f sex, lots of teasing, huge loads of cum and screams of pleasure. Excerpt from the book: They had been at the training camp for slightly over a month, when one evening - as Sue was walking to her quarters - she stopped by the washrooms, to check that everything was in order. She went there from time to time, and she was sure that by that time of the day, there would not be any men in the bathroom. She had just walked into the room when she realized that there were some noises coming from one of the shower cubicles. Curious, she made her way to the cubicle, and took a peek inside: the sight that greeted her eyes almost made them to pop out of their sockets. In the room were four junior officers, three men and one woman, and they were all naked and making out. The woman was crouched in front of the three men, and she was taking turns sucking on the biggest peckers that Sue had ever seen in her life. Tracy, the lady officer, was taking the cocks into her mouth with stride, and as Sue watched the events before her she suddenly realized how sex-starved she was. She felt an itch in between her thighs that she had not felt in over a month, and she her cunt started to wet. She looked at Harrys chocolate cock and tried to imagine it in her pussy, and the thought drove her wild with desire. He was

a dark skinned lieutenant with an athletic body, and from what she could see, he had a fine 12 pecker, by far the biggest of the three cocks in the room. Looking at the cock, Sue knew that she had to have this cock one way or the other. Tom and Marcus, the other two junior officers, then picked Tracy up. She put her hands around Toms shoulders and hoisted herself up, wrapping her legs around his waist. She then began lowering herself onto his hard thick 10 cock, and Sue watched as Tracy let out a moan of delight as the shaft pierced into her cunt and disappeared into it.
