

Federal Taxation: Comprehensive Topics (2016)

CCHs Federal Taxation: Comprehensive Topics is a popular teacher-created combination first- and second-level tax course that offers comprehensive one-volume coverage of all the most important tax concepts and principles for a solid grounding in federal taxation. It offers clear and concise explanation of fundamental tax concepts in the framework of today's tax practice. Covering both planning and compliance, the book strikes an effective balance between AICPA model curriculum demands and the favored approaches of the majority of today's top tax teachers. CCHs Comprehensive Topics introduces students to the complex and absorbing study of federal taxation, covering a broad range of subjects beginning with basic concepts and individual taxation. Once the fundamentals are covered, tax accounting and the taxation of partnerships and corporations become the focus. The final section of the book presents estate and gift taxation coverage, along with income taxation of trusts and estates. Deferred compensation, education savings, international tax, and state and local taxation are also addressed.

Written by top tax teachers from across the country, CCHs Federal Taxation: Comprehensive Topics presents materials in straightforward language to improve student comprehension. Emphasis is given to the most important topics that have the greatest real-world impact. **FOR ADOPTING TEACHERS:** Instructors adopting Federal Taxation: Comprehensive Topics also receive a looseleaf Instructors Guide that includes the following helpful features: 1) Course outlines and AICPA Model Tax Curriculum outlines that show how the text can be used by teachers in various types of courses. 2) Summary of each chapter to provide the adopter with a quick view of what's covered and to facilitate course preparation and development of lesson plans. 3) Answers

to both the Keystone Problems and End-of-Chapter Problems in each chapter in the book. 4) Testbank questions and answers that correspond to each chapter in the book. CCHs Classroom Advantage CD is also provided to adopting instructors. This CD provides additional teaching help, computer application and ease of use. The Classroom Advantage offers the following great features: CCHs Classroom Advantage CD is also provided to adopting instructors. This CD provides additional teaching help, computer application and ease of use. The Classroom Advantage offers the following great features: 1) An electronic file of the entire Instructors Guide, so teachers can access all the great information contained in the print Instructors Guide at their office/home PC or on their laptop. 2) Respondus-ready and Microsoft Word files of the Testbank questions created by the textbook authors for all chapters in the book.
