

North for Christmas

After Rubys wealthy mother donates their extra funds to yet another charity, Rubys forced to work as a mall elf to earn enough to go to Italy with her boyfriend. But everything changes when Ruby meets North, a lawyer-turned-elf, who seems to know exactly what Ruby really wants this Christmas. This sweet contemporary holiday romance novel is perfect for the book lovers on your Christmas list. I had Sheri gather the information on a flight to Italy, the hotel, and ski passes. Im sorry, dear. It costs too much. I have other obligations this time of year. Rubys heart sank. So much for getting engaged at the bottom of the Alps. Ruby knows her CEO mother really could afford to send her to Europe for Christmas. But instead Rubys stuck in Tennessee working as a Christmas elf so she can pay for the trip herself. Wrangling whiny kids at the mall certainly isnt the holiday she had in mind. But things start to get interesting when Ruby meets North--a lawyer-turned-elf, who might be able to grant Rubys real Christmas wish. This charming holiday romance is perfect for the book lovers on your list! Sweet and full of surprises, itll bring a little Christmas cheer to your bookshelves all year long!
