

Caged: Love and Treachery on the High Seas (Baals Heart) (Volume 1)

Sheltered and lonely, Jons life changes drastically when a strange ship sails into the harbour of his small port town one day. Trapped between the possessive pirate captain and his murderous first mate, he must learn to adapt or he will lose himself completely. An epic tale of love, treachery and revelation, this first installment of the Baals Heart series brings you into the lives of three men so bound together by jealousy and lies that they must sail to the very ends of the earth to find forgiveness.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
