

Emotion Regulation in Children and Adolescents: A Practitioners Guide

Emotion regulation difficulties are central to a range of clinical problems, yet many therapies for children and adolescents lack a focus on emotion and related skills. In a flexible modular format, this much-needed book presents cutting-edge strategies for helping children and adolescents understand and manage challenging emotional experiences. Each of the eight treatment modules can be used on its own or in conjunction with other therapies, and includes user-friendly case examples, sample dialogues, and engaging activities and games. Emotion-informed assessment and case conceptualization are also addressed. Reproducible handouts can be downloaded and printed in a convenient 8 1/2 x 11 size.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
