

Benjamin Franklin Book of Recipes

The Benjamin Franklin Book of Recipes is a collection of recipes from the time of Benjamin Franklin, complemented by anecdotes about his extraordinary life in Boston and Philadelphia, London and Paris. Each chapter is set at a location where Franklin lived or was a visitor, and the menus reflect the food eaten at that time. The recipes are from several sources, including some by the great statesman himself. Among the period recipes and anecdotes, the reader will encounter some more modern recipes, and excursions into the origins of food and drink, all served with a liberal scattering of Franklins quotations. Benjamin Franklins wit and wisdom are present in all his writings, but never more so than when he is on a subject as close to his heart as food and drink. From the exceptional pains he took to discover the secret of Parmesan cheese, to his personal recipe for Milk Punch: Take 6 Quarts of Brandy and the Rinds of 44 Lemons - what he has to say reveals as much about his character and the society he was part of as it does about the food of his day. And in his diplomatic work in England and France the table was often the forum for patriotic battles on behalf of the United States of America which culminated in the Declaration of Independence and his recognition as a Founding Father of the United States. Benjamin Franklin - printer, scientist, philosopher, diplomat, and now cook? Perhaps, but whether your interest is in food or in Franklin you should find much to entertain you in this book.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just to good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
