

The Anniversary: A Clean Mature Couple BWWM Marriage Romance

A game changing clean romance by hit author Erica A Davis. Simone and Toby are very close to celebrating their 20-year anniversary, which they're excited about. Unfortunately, Toby's parents have never liked Simone, and went as far as to kick him out of the family for being with her. While the couple have managed to get over this, the same old family dramas are about to rise again! When Toby's brother plants the seed that Simone is cheating on him, Toby doesn't want to believe him. But when he sees a text on Simone's phone from someone named Brett, he wonders if he should reconsider. What Toby doesn't know is that Simone is trying to plan a surprise for their anniversary, and his new distrust of her could ruin everything. With even more family dramas on the way, will Simone and Toby's anniversary be remembered for all the wrong reasons? Find out in this emotional yet passionate marriage romance by Erica A Davis of BWWM Club. A clean romance which can be enjoyed by all. :)
