

## Winged Pharaoh (Far Memory Books)

In ancient Egypt, a Pharaoh who by strength of extra-sensory powers also became a priest was called a Winged Pharaoh. As a child, the astonishing Joan Grant became aware of her uncanny Far Memory, the ability to recall past incarnations who had lived in long-ago times and far-flung places. Her seven historical novels stand out for their vividness and rich detail. For Joan, these books were not works of the imagination but personal recollections of her previous lives. In *Winged Pharaoh*, Joan Grant tells the story of Sekeeta, the Pharaohs daughter. The ancient Egyptians reserved the title of Winged Pharaoh for ruler-priests who possessed extra-sensory powers. When Sekeeta demonstrates psychic abilities, she is sent to the temple and trained to recall past lives. Upon the death of her father, she becomes a Winged Pharaoh - both priestess and Pharaoh - and leads her country with enlightenment. The most famous of Joan Grants Far Memory novels, this book brings the grandeur, beauty, and mystery of ancient Egypt to life. Upon *Winged Pharaohs* original publication in 1937, the *New York Times* called it an unusual book that shines with fire.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
