

Great Golf Courses of Ireland

This guide to Irelands golf courses contains updated information on each of the 30 courses featured in the first edition, and also comes with four new courses. Many new golf courses have opened since the first edition of John Redmonds guide. This enlarged version reflects that fact with updated information on each of the 30 originally featured, plus photography and descriptions of four new courses: the European Club, Fota Island, Druids Glen and Portmanock Links. Lavishly illustrated with colour photographs, John Redmonds accompanying text presents both a general history and lively anecdotes about each course. Other books by John Redmond The Book of Irish Golf.
