

The Alignment Effect: How to Get Real Business Value Out of Technology

The Alignment Effect offers managers a systematic blueprint for demanding real accountability and bottom-line business results from their IT investments. Using actual case studies, Faisal Hoque introduces Business Technology Management, a comprehensive approach to aligning technology with business objectives, increasing the efficiency of technology investments, and dramatically reducing the financial and operational risks associated with business and technical change.

NEWAGEOFTRUTH There's been too many lies and not enough truth stay updated via rss MY NEW PLAYLIST Why are some looking forward to the end of days? Posted: July 26, 2016 in Cheating, Education, Evil, Politics, Religion, Social Issues Tags: Armageddon, bible, Christianity, Conspiracy theory, Prophecy, Y2K 0 end of days Some temptations are just too good to pass up. My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
