

The Expediency of a Free Exportation of Corn at This Time: With Some Observations on the Bounty, and Its Effects (Classic Reprint)

Excerpt from The Expediency of a Free Exportation of Corn at This Time: With Some Observations on the Bounty, and Its Effects

The Legislature of these kingdoms having lately passed a temporary act to prohibit the Exportation of Corn, that time may be gained for a due consideration of the expediency, either of continuing the embargo, or allowing exportation; I shall venture a few observations on the subject, and endeavour to elucidate those circumstances, which at present call most for the attention of those whose situation gives them a voice in the decision of so important an affair. No law, however manifest and acknowledged its utility, can ever be expected to pass without exciting the dissatisfaction and clamour of such as are, or think themselves, injured by it.
