

## Wishing on Mistletoe Mountain (Cupid Romance Series) (Volume 2)

When Rebecca St. Claire turns down a proposal of marriage to a potential senator in public, she knows its going to be all over the news. However, thats not her worry right now. Instead, she has to deal with the cops at her door, telling her to move her car for the neighbor across the street. As soon as they leave, she heads outside, promptly locking herself out of her house. Realizing her mistake, she digs in the snow to find a spare key. Dr. Zane Forrest watches the lady across the street dig in the snow. All he asked was for her to move her car so the moving van could deliver his furniture. He needs to meet this lady and find out if shes crazy. When they meet and he hears her story, he proposes that she use him as a rebound guy, to get rid of the senator and any reporters that want her story. She considers the thought, because it would also give her a date for Christmas at her parents cabin in Mistletoe, CO. \*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\*~\* The cupid crew is on the case, trying to make this relationship work. With their bad track record and the fact that theyre turning it into a competition, it could be worse than disastrous.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
