Indeed, whenever an Englishman does break fresh ground in this direction, he rarely finds sufficient presence of mind to controvert the suggestions of the smiling minister who, having spotted his Inglese, at once marks down an omelette aux fines herbes and a biftek aux pommes as the only food such a creature can consume. Thus the culinary experiences of Englishmen in Italy have led to the perpetuation of the legend that the traveller can indeed find decent food in the large towns, because the cooking there is all French, you know, but that, if he should deviate from the beaten track, unutterable horrors, swimming in oil and reeking with garlic, would be his portion. Oil and garlic are in popular English belief the inseparable accidents of Italian cookery, which is supposed to gather its solitary claim to individuality from the never-failing presence of these admirable, but easily abused, gifts of Nature.
