

Drawing is Thinking

The drawings depicted here represent a range of subject matter taken from throughout Glaser's career. They illustrate the author's commitment to the fundamental idea that drawing is not simply a way to represent reality, but a way to understand and experience the world.

My curiosity got the best of me the other day and I gave in by watching one of those "End of the World" conspiracies videos. This time around the date is set for July 29, 2016. So in three days the biblical prophecies will come true and we will be swallowed up by hell fire while the others who are "saved" will rejoice in the heavens.
